**25 YEARS OF
INNOVATION:**
HONOURING OUR PAST,
AND EMBRACING
OUR FUTURE

East Midlands
Conference Centre,
Nottingham
26th & 27th June 2024

CELEBRATING A QUARTER CENTURY

The British Damage Management Association Conference 2024 returns to the East Midlands Conference Centre, taking place on 26th and 27th June 2024.

The theme of the 2024 conference is: ***“25 Years of Innovation: Honouring our past, and embracing our future”***.

The year 2024 is a significant one for the BDMA as we celebrate our 25th anniversary. This exciting birthday marks 25 years of giving the damage management industry a voice. From a series of meetings between representatives of some of the main damage management companies and its launch at Lloyds of London on 1st December 1999, the BDMA has come a long way.

The 2024 conference will showcase and celebrate BDMA's 25-year journey and examine trends in the market to consider what the future might hold promising to be our biggest and best event yet.

A range of options are available to boost your company's market profile – these include sponsorship and exhibitor opportunities. The East Midlands Conference Centre offers a range of exhibitor space and rooms ensuring that all exhibitors and sponsors can find a space to best showcase their business. Floorplans will be available closer to the conference opening.

Early Bird rates are valid on delegate bookings until 31st March.
